

SHER-WOOD

WARRANTY POLICY - COMPOSITE BLADES

Sher-Wood and TPS hockey products are built from the finest of materials and craftsmanship so that their performance exceeds the expectations of our customers.

Hockey is a physical game and as such all hockey sticks are designed to break if an unreasonable force is applied. In certain cases it may be due to a manufacturing defect. If you feel the breakage of your blade was not caused by normal wear and tear, please refer to the Warranty Policy below to determine the next steps for you.

COMPOSITE BLADES

Retail Sales Only - Professional, Junior and College team sales are excluded from this warranty.

Sher-Wood Hockey Inc. offers to the original buyer exclusively a limited warranty against manufacturing defects for thirty (30) days from the original retail purchase date when used under normal and customary use in ice hockey play. We will provide a **ONE-TIME** warranty replacement for blades if:

1. The blade was purchased at an authorized Sher-Wood Hockey Inc. retailer and a proof of purchase in the form of an original electronic cash register receipt is submitted;
2. There is no evidence that the blade has been abused, tampered with, over-heated, altered, defaced, misused, skate-cut, expose to open flame or otherwise damaged through an act of neglect of the consumer;
3. The blade is returned in its entirety;
4. Upon inspection by the company, the company determines in its sole discretion that the product breakage was due to a manufacturing defect and not any other reason;
5. Claim must be submitted within the 30 day warranty period.

FOR GREATER CLARITY

- This warranty does not cover normal wear and tear.
